

R E M A R K S

The present filing is in response to the Official Action dated December 22, 2006, and includes amendments which are directed to addressing the Examiner's concerns relative to claim clarity, and therefore are believed to put the claims into better condition for appeal. While the previous language was believed to be clear to one skilled in the art, the present claims are believed to be even more clear, in so far as they additionally avoid at least some of the alleged areas of indefiniteness identified by the Examiner in the most recent Office Action, dated December 22, 2006.

It is believed that the present response puts the claims into better condition for appeal, as it reduces the number of issues to be addressed on appeal, in attempting to avoid at least some of the alleged lack of clarity, which has been raised by the Examiner. The present response additionally is not believed to raise any new issues and/or result in the need for a new or additional search on the part of the Examiner. Entry of the response including amendments to the claims is respectfully requested.

The claims, as currently presented, are believed to be allowable over the prior art of record, for previously presented reasons, and the reasons contained in the appeal brief filed herewith. Allowance of the application is respectfully requested.

Respectfully submitted,
